

YARIS CROSS

DUAL PERSONALITY

Wherever life leads you, take it in your stride. Blending bold, sophisticated looks with spacious and commanding views of the road, Yaris Cross offers genuine SUV attitude on a scale that fits perfectly into the city and beyond. With the powerful combination of Hybrid and an intelligent all-wheel-drive system to keep you moving, you'll enjoy the confidence to go anywhere you want, when you want. Drive on.

ALWAYS ON THE MOVE

Sit up and see the world from a new perspective. With its raised ground clearance and commanding driving position, the high-riding Yaris Cross gives you the confidence to tackle the city on your terms.

Bold wheel arches, a wide planted stance and large imposing alloy wheels deliver unmistakable attitude. Yet, thanks to its compact size, you'll instantly feel at home in bustling city streets. With the reassuring poise of intelligent all-wheel drive underneath you and a spacious and versatile interior excelling at everyday demands, Yaris Cross, a true SUV, always keeps you moving.

UNSTOPPABLE ENERGY

From owning the urban crawl to embracing the open road, Yaris Cross's fourth-generation, self-charging Hybrid system makes every drive effortless. A new 116 DIN hp 1.5-litre Hybrid powertrain delivers performance and efficiency that's unbeatable in its class. Switching seamlessly from petrol to electric power at just the right moment, you're rewarded with smooth, responsive acceleration and excellent fuel efficiency, helped by its ability to travel even further in zero-emissions mode. Once you press start, nothing holds you back in this SUV.

CONFIDENCE IN MOTION

Thanks to the foundations of its TNGA platform and Hybrid engine, Yaris Cross is born fun to drive and kind to the environment. A lower centre of gravity and high body rigidity ensure that it's agile threading through crowded city streets and dynamic on winding country roads. Combined with class-leading fuel efficiency and impressively low CO₂ emissions, you'll find life really starts to flow.

UNBEATABLE POISE IN EVERY SITUATION

Whatever the day throws at you, drive on. With Hybrid AWD-i, Yaris Cross is the only compact Hybrid SUV to offer the security of intelligent all-wheel drive. From cornering in heavy rain to accelerating on loose surfaces, AWD-i provides the stability and traction to keep you away from trouble. By switching automatically from front- to all-wheel drive, the lightweight system returns class-leading fuel efficiency and CO₂ emissions, whether you're tackling everyday commutes or extraordinary weather.

HELP IS AT HAND

To give you a helping hand when conditions get tricky, Yaris Cross's AWD-i mode switch features Trail and Snow modes. On icy, snowy and muddy roads, it helps to minimise wheel spin and tyre slip, keeping you on track and moving on.

CUT FOR CITY LIFE

Created to reflect the personalities and lifestyles of European customers, the design of the Yaris Cross was inspired by the iconic image of a gemstone. The phrase 'nimble diamond' was coined by its designers to express the car's hard, bold and premium look.

STRONG AND SOPHISTICATED

How was this energetic style created? To give the Yaris Cross its distinctive look, the body was sculpted to create a more pronounced diamond shape and emphasise the bold wheel arches, all of which add to the car's robust SUV stance.

ATTRACT THE CITY'S ATTENTION

Parked up or gliding by, the Yaris Cross Elegant really gets you noticed in the city. Its striking exterior design is complemented by eye-catching 18" machined alloy wheels to give every trip an air of sophistication. With

the cabin's urban theme blending warm silver decorations, satin chrome highlights and Taupe fabric seats with leather-like bolsters, whenever you explore the city expect others to follow.

MAKE EVERY DAY AN ADVENTURE

Life is for living in Yaris Cross Adventure. Purposeful front and rear underruns, dark grey 18" alloy wheels and stylish roof rails endow it with a rugged, go-anywhere attitude. Whether you're loading up your bikes or your boards for the weekend, the versatile interior's nature-inspired colour theme and black fabric seats with leather-like bolsters make this the SUV you need if adventure is your escape.

YOUR SPACE, YOUR RULES

The Yaris Cross's large boot volume can be increased with a class-first 40:20:40 folding rear seat system, giving you the room you need when some things are impossible to leave behind.

SPACE THAT LETS LIFE FLOW

Whether it's a helping hand shopping or space for your passions, Yaris Cross has all the right answers. Practical and versatile, it features a kick-activated power back door for when your hands are full. Its flexible smart cargo deck board can be adjusted in height and split in two, to give you secure underfloor storage or increased luggage space on demand. And with a flex belt securing everything from bags to bikes and snowboards while you drive, finding room for life doesn't get any smarter.

ALWAYS CONNECTED, NEVER FAZED

With Toyota Smart Connect, advanced multimedia and connectivity is at your fingertips. A new 9" high-definition touch screen makes streaming playlists, taking phone calls and accessing trip information easy, intuitive and safe. Featuring connected cloud navigation with live road events, Toyota Smart Connect takes the stress out of every trip. Its community-based, real-time accident and speed camera warnings plus live traffic navigation and over-the-air map updates make journeys feel smoother than ever. To help you stay focused on what matters, a full colour 10" Head-up Display projects essential information at a glance in your eyeline.

INTEGRATED INTO LIFE

Whether it's easily locating available on-street parking or seamlessly paying for fuel and parking charges, Toyota Smart Connect saves you time and energy at every turn*.

CONNECTED WHENEVER, WHEREVER

With the MyT app's expanding Connected Services offering, you can feel connected to your car, no matter where you are. Plan and share journeys from home, receive service reminders on the move and optimise your EV driving style to lower your fuel consumption with Hybrid Coaching. MyT helps you get the most out of life.

LIFE IN SYNC

If you're getting ready for the day or on the go away from your car, comfort and control are in the palm of your hand. With Remote Control Services* you can pre-set the temperature of your car's cabin before setting off[§], lock and unlock the doors or switch on the hazard lights, all operated via the MyT smartphone app.

You'll also enjoy the freedom of wireless smartphone integration, including Apple CarPlay with Siri voice assist and Android Auto™ with Google assistant. Once connected, your favourite smartphone apps like Spotify, WhatsApp, Audible, Google Maps and Waze are accessible on the car's large touch screen. From playing music and making calls to listening to messages, you'll always feel in sync with life.

* Please note that remote control features are shown here for illustration purpose only. Please consult your Toyota retailer for information on which features are available in your country.

§ Please note that remote climate control features may not be available in your area based on local legislation. Please consult your Toyota retailer for information on which features are available in your country.

For further information please go to www.toyota-europe.com/MyT/disclaimer

The Toyota Touch® multimedia system can be selected by users wanting smartphone integration via USB connection and the basic suite of MyT Connected Services.

Apple CarPlay is a trademark of Apple Inc.

RELY ON T-MATE TO HAVE YOUR BACK

Thanks to T-Mate, whatever surprises the day has in store, Yaris Cross is always one step ahead. T-Mate is the name for a comprehensive range of Toyota Safety and Advanced Driver Assistance Systems. From active safety technologies such as Pre-Collision System to the peace of mind of Toyota Teammate Advanced Park, T-Mate supports you from busy highways to crowded cities, helping to protect you, your passengers and other road users too.

As part of T-Mate, Yaris Cross also boasts a class-leading Adaptive High Beam System. Optimising your headlight beam when cornering or approaching other vehicles, the system helps you spot danger that's out of sight while also reducing the stress and strain of night-time driving.

PRE-COLLISION SYSTEM ENHANCED WITH EMERGENCY STEERING ASSIST AND INTERSECTION TURN ASSIST

When the possibility of a collision is detected, Pre-Collision System alerts the driver with audio and visual warnings and brake assistance is activated. If the driver fails to brake in time, the brakes automatically engage to reduce the likelihood and severity of an impact. In addition, early detection of pedestrians (day or night) and cyclists (day only) is also possible. Two new functions, Intersection Turn Assist and Emergency Steering Assist, provide further driver support in the daytime by delivering greater safety when turning at junctions and enhanced steering assistance and stability when making evasive manoeuvres.

INTELLIGENT ADAPTIVE CRUISE CONTROL

Combining the benefits of Adaptive Cruise Control and Road Sign Assist, IACC automatically keeps the vehicle at a pre-selected speed and warns the driver if the speed limit changes, allowing them to easily adapt their cruising speed accordingly.

LANE TRACE ASSIST

Should the vehicle begin to drift unintentionally from its lane, steering assist is applied to correct its course and keep the vehicle centred in its lane.

AUTOMATIC HIGH BEAM

When driving at night, a camera detects other vehicle's lights and automatically switches between high and low beam, allowing the driver to concentrate safely on the road ahead.

ACTIVE

Pure SUV design with essential comfort and safety.
All set for urban life.

MAIN FEATURES

- Wireless door lock: jack knife key
- Power door locks with key integrated remote control & "answer back"
- Full range Adaptive Cruise control - Intelligent Adaptive Cruise Control (iACC)
- 8" Toyota Touch® multimedia system with Smartphone integration incl. Apple CarPlay & Android Auto™
- Rear-view camera display on Toyota Touch with Dynamic guide lines
- Bluetooth® for hands-free calls and music streaming
- 6-speaker radio/MP3/WMA compatible (4-speaker on Active), DAB compatible
- Colour TFT 7" multi-information screen (4.2" on Active)
- MyT Toyota Connected Services with free subscription for 10 years
- Voice recognition
- Dusk sensors (Auto headlights)
- Rain sensors
- Halogen projector headlamps with Daytime running lights
- Rear fog lamp
- Toyota Safety Sense: Pre-crash, Lane Departure Warning with steering assist, Lane Trace Assist, Auto High Beam
- Road Sign Assist (RSA)
- SRS front air bags (driver and front passenger)
- SRS side air bags (driver and front passenger)
- SRS curtain shield airbags (front and rear)
- Driver & passenger central airbag
- Premium fabric seat trim
- 16" alloy wheels (10-spoke)

TREND

Natural style, impressive comfort and convenience.
Pure urban confidence.

MAIN FEATURES (additional to Active)

- Smart start and smart entry keyless system (driver, passenger & back door)
- LED Projector headlights with LED Daytime running lights and lightguide
- LED Front fog lamps
- LED rear combination lamps with sequential indicator
- Rear privacy glass
- Colour TFT 7" multi-information screen (4.2" on Active)
- 6-speaker radio/MP3/WMA compatible , DAB compatible
- 17" bi-tone dark grey & machined-face alloy wheels (5-double-spoke)
- Intelligent Front & rear parking sensors with automatic braking

ELEGANT

Distinctive design, desirable technology.
The perfect combination for the city.

MAIN FEATURES (additional to Active) Available only in Hybrid

- Smart start and smart entry keyless system (driver, passenger & back door)
- LED Projector headlights with LED Daytime running lights and lightguide
- LED Front fog lamps
- LED rear combination lamps with sequential indicator
- Rear privacy glass
- Electrochromatic auto-dimming rear view mirror
- Power/auto retractable door mirrors
- Partial leather seats
- Intelligent Front & rear parking sensors with automatic braking
- Colour TFT 7" multi-information screen (4.2" on Active)
- 6-speaker radio/MP3/WMA compatible, DAB compatible
- 18" bi-tone dark grey & machined-face alloy wheels (5-triple-spoke)

OPTIONAL FEATURES

- 9" HD Toyota Smart Connect multimedia system with wireless Smartphone integration incl. Apple CarPlay & Android Auto™, Cloud based navigation with Cyprus map
- Remote air condition control, lock/unlock with MyT subscription services (std with Toyota Smart Connect or available via 1 year subscription from MyT app)

ADVENTURE

Refined style and exceptional comfort and equipment.
True urban sophistication.

MAIN FEATURES (additional to Active) Available only in Hybrid

- Exclusive Bi-tone exterior execution
- Smart start and smart entry keyless system (driver, passenger & back door)
- LED Projector headlights with LED Daytime running lights and lightguide
- LED Front fog lamps
- LED rear combination lamps with sequential indicator
- Rear privacy glass
- Electrochromatic auto-dimming rear view mirror
- Power/auto retractable door mirrors
- Partial leather seats (Rugged on Adventure)
- Downhill Assist Control (only on AWD-i)
- Exterior Rugged package (Front & rear bumpers)
- Aluminium roof rails
- Intelligent Front & rear parking sensors with automatic braking
- Colour TFT 7" multi-information screen (4.2" on Active)
- 6-speaker radio/MP3/WMA compatible, DAB compatible
- 18" dark grey alloy wheels (5-triple-spoke)

OPTIONAL FEATURES

- 9" HD Toyota Smart Connect multimedia system with wireless Smartphone integration incl. Apple CarPlay & Android Auto™, Cloud based navigation with Cyprus map
- Remote air condition control, lock/unlock with MyT subscription services (std with Toyota Smart Connect or available via 1 year subscription from MyT app)

PREMIERE

Rugged, go-anywhere attitude and intuitive technology.
Made for active lives. (Hybrid only)

MAIN FEATURES (additional to Active) Available only in Hybrid

- Exclusive Bi-tone exterior execution
- Kick-activated boot opening
- Smart start and smart entry keyless system (driver, passenger & back door)

TAILOR-MADE ACCESSORIES

ADVENTURE PACK

Enhance the all-season protection of your Yaris Cross with the rugged appeal of stainless steel side steps and front and rear mud flaps.

Displayed with accessory wheels; 18" alloy wheels – silver, 20-spoke.

PROTECTION PACK

Keep your Yaris Cross in the best possible condition for years to come, with a comprehensive Protection Pack.

RUBBER FLOOR MATS

Genuine tailored fit rubber floor mats help protect your carpets against the very worst conditions that you or your passengers dare to tread inside. They are impervious to dirt, mud and water and can be removed for easy cleaning.

BOOT LINER

Contain mud, dirt and liquid with a durable, plastic boot liner that's tailored to fit yours.

SIDE BODY MOULDINGS

Protect your doors from accidental dings and scrapes with purpose-designed, side body mouldings.

REAR-SEAT PROTECTION

Safeguard your rear seats from luggage, bicycles and wear & tear with a toughened, plastic protector.

TRANSPORT PACK

Whether it's carrying life's passions or extra space for adventures, the Transport Pack provides solutions for all your road trip needs.

ROOF SKI & SNOWBOARD HOLDER

Easy to use ski holder for carrying four pairs of skis or two snowboards.

ROOF BIKE HOLDER

Lockable (bike and cross bar) bike holder that can be installed on both sides of the vehicle.

DETACHABLE TOWING HITCH

Make full use of your vehicle's towing capacity. Towing hook can be removed when not required.

ROOF CROSS BARS

Aerodynamic, lockable cross bars that can be used with a range of attachments.

ROOF SKI BOX

High capacity, streamlined ski box is lockable and can be opened from both sides of the vehicle.

Displayed with accessory wheels; 16" alloy wheels – glossy black, 5-double spoke.

INDIVIDUAL STYLE

URBAN PACK

Combining striking silver front and rear bumper skirts, the Urban Pack adds even more kerb appeal to the Yaris Cross distinctive design.

Displayed with accessory wheels;
18" alloy wheels – machined-face
black, 20-spoke.

CHROME PACK

Add an extra touch of elegance to your Yaris Cross with eye-catching chrome door side sills and a chrome lower boot lid garnish.

Displayed with accessory wheels;
17" alloy wheels – glossy black,
10-spoke.

BLACK PACK

Consisting of piano black door side sills and piano black lower boot lid garnish, the Black Pack is a sophisticated addition to every Yaris Cross look.

Displayed with accessory wheels;
17" alloy wheels – machined-face
grey, 10-spoke.

The fuel consumption, CO₂ and noise values are measured in a controlled environment on a basic production vehicle, in accordance with the requirements of European law published by the European Commission. For further information, or if you are interested in buying a basic production vehicle, please contact Toyota Motor Europe NV/SA. The fuel consumption and CO₂ values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, installed equipment, load, number of passengers, ...) play a role in determining a car's fuel consumption and CO₂ emissions.

TOYOTA ENVIRONMENTAL CHALLENGE 2050

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

For more information regarding Toyota Environmental Challenge please visit: www.toyota-europe.com/world-oftoyota/feel/environmental-sustainability or contact your local Toyota retailer.

CHALLENGE 1 NEW VEHICLE ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 3 PLANT ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Yaris is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

CHALLENGE 2 LIFE CYCLE ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover* on an annual/ 15,000 km basis (whichever comes sooner) up to the 10th year from vehicle registration date.

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every year/15,000 km (whichever comes sooner). An intermediate check is necessary every year or 6 months/7,500 km.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/ 100,000 km vehicle warranty[§], which covers any defect caused by a manufacturing fault[§].

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[§].

For more information on peace of mind visit: www.toyota.com.cy/service-and-accessories/

* Check with your retailer for specific Toyota Hybrid Service Programme details. [§] Check with your retailer for specific warranty details.

[§] Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.

** Belgium 5 years/Portugal and Denmark 1 year.
