

# HILUX

# EVERY EXPERIENCE COUNTS

FOR MORE THAN HALF A CENTURY HILUX HAS UNRELENTINGLY POWERED PEOPLE TO THE MOST REMOTE LOCATIONS ON THE PLANET, TACKLING EVERY KIND OF TERRAIN, OVERCOMING ANY KIND OF OBSTACLE. THE HILUX BRINGS MORE POWER AND EVEN TOUGHER DESIGN TO THIS LEGENDARY VEHICLE. HILUX, THE WORLD'S TOUGHEST ICON, SINCE 1968.

Model shown is Invincible with black high over bar accessory.

**Toyota's iconic Hilux is back, upgraded and enhanced to meet any challenge.** The pinnacle of pickups, Hilux combines legendary durability with next-gen technology, including an advanced Hybrid 48V powertrain. Enhancing the 2.8-litre engine with an electric motor/generator and a 48V battery, the system delivers a quieter, more fuel-efficient drive with effortless acceleration when you need it.

Model shown is Invincible with black high over bar accessory.

# IRRESISTIBLE HYBRID 48V POWER

## TACKLE ANY TERRAIN

Go anywhere with confidence. Multi Terrain Select will keep you moving no matter the conditions, with an Auto setting and specific modes for Dirt, Sand, Mud, Deep Snow and Rock.

Inspired by Toyota's Dakar Rally-winning heritage, GR SPORT II is the ultimate expression of Hilux's all-terrain dominance. Its purposeful stance and increased ride height guarantees a confidence-inspiring drive in even the toughest conditions. The rugged front underguard, 17" black alloy wheels and imposing black meshed grille make a powerful first impression. On the inside, GR SPORT II underlines its motorsport authenticity with a bespoke GR SPORT combimeter and welcome screen, tactile manual gearshift paddles and race-ready aluminium pedals.

## COMFORTABLY IN CONTROL

Hilux GR SPORT II features supportive racing-style seats finished in black leather and slip-resistant suede, together with eye-catching red seat belts.

Model shown is GR Sport II.

# GREAT DESIGN FIT FOR ANY TERRAIN

**With a bold new look Hilux stands out, even when it's blending in.** Its muscular stance conveys a sense of power, whilst the strong front and rear bumpers and tough body mouldings protect bodywork in the urban jungle. Refined and powerful, Hilux makes a compelling statement wherever you go. Stunning new light designs and a range of wheels enhance its bold good looks. Want to take it to the max? Look no further than the Invincible model, with a unique and striking design ... it's the ultimate statement of Hilux power and style.

## WHATEVER YOUR ENVIRONMENT, HILUX WAS DESIGNED FOR IT

**Did you know...** Owning a 1985, jet black, 4x4 SR5 Xtracab Hilux was the dream of Marty McFly, played by Michael J Fox, in the box-office hit Back to the Future. But before he gets a chance to drive the truck, McFly is propelled back to 1955 where he meets his teenage parents-to-be.

Model shown is Invincible with black high over bar accessory.

# CONCRETE JUNGLE? ALWAYS STAND OUT

# THE ULTIMATE WORK HARD, PLAY HARD PICKUP

Model shown is GR Sport II.

**Hilux GR SPORT II brings rally-inspired performance to the street without compromising practicality.** The best handling Hilux ever, GR SPORT II features comprehensive design, handling and braking upgrades together with a best-in-class towing capacity of 3500 kg and 1000 kg payload. Race-developed modifications include a 20 mm ride height increase, tuned monotube dampers and powerful disc brakes front and rear. The result? Unrivalled precision and control.

## HIGH- PERFORMANCE HARDWARE

The most dynamic Hilux yet, GR SPORT II uses bespoke suspension geometry and tuned big-piston dampers front and rear for exceptional rough-terrain performance.

**TOUGH, DURABLE,  
RELIABLE?  
UNQUESTIONABLE**

**Because Hilux is engineered and tested to operate in the world's most extreme environments, you can rely on the legendary quality, durability and reliability that's baked into every new vehicle.** With a super strong body frame, up to 310 mm\* of ground clearance, 700 mm wading depth and exceptional wheel articulation even the toughest terrain can be tackled with confidence. Rigorous testing, and unique component design, honed over half a century, has resulted in a unique vehicle. Designed, engineered and built like no other pickup.

Model shown is Invincible with black high over bar accessory.

**TAKE YOUR  
PASSIONS TO  
NEW TERRITORIES  
AND BEYOND**

**Did you know...** The Killin Mountain Rescue Team in Scotland depend on Hilux 4x4 pickups to transport rescue teams and equipment into the most dangerous, remote and inhospitable areas of the mountains. When lives are at stake, the go-anywhere capabilities of Hilux become lifesavers.

\* Double Cab.

**There's good reason to feel confident in a Hilux.** Hill start Assist Control (HAC) and Active Traction Control (A-TRC) make the smoothest take-off simple, whilst its huge capacity to carry and tow means nothing gets left behind. So, whether you're climbing or descending the track (did we mention Hilux has Downhill Assist Control?), when you're in a Hilux you can be sure you are in the very safest of hands\*.

\* Options and equipment dependent on model.

## 3.5T\* TOWING CAPACITY AND 1 TONNE PAYLOAD: LEAVE NOTHING BEHIND

**Did you know...** During last year's cold snap in the North of England, a Hilux rescued a stranded articulated lorry that had become stuck on an icy stretch of road as they attempted to deliver food to a large supermarket.

Model shown is Invincible with black high over bar accessory.

\* Up to 3.5 tonnes, 4WD only.

# EXTREME LEISURE? TRUST HILUX

**YOUR SPACE  
YOUR WORLD**

**Tough on the outside, comfortable on the inside, the interior of the Hilux takes you to new levels of refinement and style.** Durable materials and striking finishes look as good as they feel, whilst the JBL® sound system with Harman CLARi-Fi technology, delivers superb audio quality whatever your choice of music. Double Cab Invincible models elevate levels still further with dual-tone perforated leather seats delivering unrelenting comfort no matter how extreme the terrain you choose to tackle, and unique ambient lighting that bathes the cabin with soft blue light. As tough as it is comfortable, Hilux takes care of you, so you can take care of business.

Specification dependent on model.

**WHATEVER YOUR  
MUSIC TASTES,  
LET JBL® AUDIO  
DELIVER THE SOUND**

**Did you know...** When planning an 'Around the world in a hot air balloon', the expedition leader knew that a pickup was the only vehicle that could handle the extreme challenge. Based on previous experience, they knew, it had to be a Hilux.

# CONNECTIVITY FOR EVERY ADVENTURE

Hilux offers a range of connected technologies designed to make life easier, including smartphone integration compatible with Apple CarPlay and Android Auto™. The 8" multimedia screen uses a more intuitive and responsive interface, complete with cloud-based navigation. 'Always connected', it ensures accurate journey planning with up-to-date information on routes, traffic and delays. The 'Hey Toyota' voice agent takes voice recognition to another level, making for effortless hands-free control.

Apple CarPlay is a trademark of Apple Inc.

## INTUITIVE TECHNOLOGY DESIGNED AROUND YOU

**Did you know...** An expedition to the most northern spot of Russia is a trip that tests the strength of any team. But with the help of two Toyota Hilux, a team succeeded in covering more than 1,000 km of extreme driving conditions through polar nights.

**Connectivity doesn't stop when you leave the car.** The MyToyota app is a powerful tool on the move. Use Remote Control to cool or warm the cabin ahead of a journey. Secure your car from afar, locking the doors and closing the windows. With Hazard Light and Find My Car, you can remotely flash the lights, sound the horn and see the car's location on a map, making it easy to find.

## ALWAYS CONNECTED TO YOUR TOYOTA

Use the MyToyota app on your smartphone to remotely activate the climate control ahead of your journey, pre-cooling the cabin on a warm day for example.

# KNOWLEDGE IS POWER STAY CONNECTED

# TOYOTA T-MATE. WITH YOU FOR A SAFER JOURNEY

## Pre-Collision System (PCS)

Our Pre-Collision System can detect and help you avoid collisions with other vehicles, pedestrians and cyclists. It works by alerting the driver with audio and visual warnings and brake assistance. If the driver doesn't manage to brake in time, the brakes automatically engage to prevent or mitigate a collision.

## Automatic High Beam (AHB)

The Automatic High Beam system looks down the road to see oncoming headlights. If it detects headlights, it automatically turns off the high beams and engages low beams. When the headlights pass, the system automatically switches to high beams again. The result? Safer night-time driving for you and other road users.

## Lane Trace Assist (LTA)

Our Lane Trace Assist System is designed to make motorway driving safer. It keeps you centred in your lane and if you start to drift from it, steering assist will gently steer your car to correct its course.

## Intelligent Adaptive Cruise Control (iACC)

keeps you at a minimum pre-set distance from the vehicle in front. If this distance falls, the system reduces your speed and eventually the brakes will be applied and brake lights activated.

Learn more about T-Mate.

For class-leading safety functions, Toyota Hilux is built with T-Mate – your helpful driving partner. T-mate is a series of systems designed to support you and make driving safer, whether you're on the motorway, in the city or parking, T-Mate makes sure you're always in safe hands.

## YOU CAN'T PREDICT THE UNEXPECTED, BUT YOU CAN PREPARE

**Did you know...** A windmill mechanic in Australia has clocked up more than half a million kilometres in his 1983-model Hilux. His 'territory' is more than 100,000 square kilometres of rural Queensland and he estimates there are seven to eight thousand windmills to service.

# HILUX GRADES

## ENTRY GRADE MAIN FEATURES

### Main features

- Available in all body colours except Pearl White (089)
- Black fabric with oval pattern (FC20)
- Full spare steel wheel
- All Terrain tyres
- Hill-start Assist Control (HAC)
- 17" black steel wheels
- Traction Control (TRC)
- Trailer Sway Control (TSC)
- Follow-me-home headlights

**THE TOUGHEST  
JOBS DEMAND THE  
TOUGHEST TOOLS.**  
100% HILUX,  
100% TOUGH

Available in Extra Cab and Double Cab

## MID GRADE MAIN FEATURES

### Main features (additional to Entry)

- Available in all colours
- Black fabric with vertical pattern (FE20)
- 17" dark grey alloy wheels (6-spoke)
- Front fog lamps (LED)
- Toyota Touch® 2 multimedia system
- 8" multimedia display
- Rear-view camera display in audio screen
- Pre-Collision System with Pedestrian and Cyclist Detection
- Chrome door mirrors
- Downhill Assist Control (DAC)
- Road Sign Assist
- Intelligent Adaptive Cruise Control
- Lane Departure Alert switch on steering wheel
- Front wiper de-icer
- Lane Departure Alert with brake-induced steering
- Heated driver & front passenger seats
- Chrome surround on upper front grille
- 4-spoke leather steering wheel
- Headlamp cleaners

Available in Extra Cab and Double Cab

- GR SPORT logo on floor mats
- GR SPORT combimeter
- GR SPORT start button
- GR SPORT centre console

Available in Double Cab

# ADDED ATTITUDE

## OFF ROAD/STYLE PACK

**Complete front guard:** The front guard with integrated underguard emboldens your car with a tough sturdy look.

**Bumper protector:** Add more stance with these colour-fading-resistant hard plastic guards. They protect against accidental impacts, keeping your Hilux looking as striking as ever.

**Black aluminium roll cover:** The lockable, weather-proof aluminium roll-top cover protects the deck contents.

**Black High Over Bar:** Rugged, solid, confident.

**Side bar with steps:** The distinctive tubular stainless steel bars with steps grab attention and protect the side panels against minor impacts.

## PROTECTION PACK

**Front underrun:** Emboldens your car with a tough and sturdy look.

**Bumper Protector (silver insert):** Add more stance with these colour-fading-resistant hard plastic guards. They protect against accidental impacts, keeping your Hilux looking as striking as ever.

**Side mouldings (cladding):** Protect your Hilux exterior with these tough plastic claddings that both enhance its visual appeal and fend off scratches and scuffs.

**Side bars with steps (stainless steel):** The distinctive tubular stainless steel bars with steps grab attention and protect the side panels against minor impacts.

**Silver aluminium roll cover:** The lockable, weather-proof aluminium roll-top cover protects the deck contents.

**Stainless steel High Over Bar:** The stainless steel High Over Bar is fixed just behind the cab to create a superb utility device. It also adds that extra touch of design to your vehicle.

GENUINE TOYOTA  
ACCESSORIES  
FOR MORE STRIKING  
AND READY-FOR-  
ANYTHING HILUX

## SILVER/CHROME PACK

**Headlamp chrome bezel:** Customise your vehicle with a touch of chrome, enhancing its looks. Carefully designed to integrate with the contours of your car.

**Chrome foglamp surround:** Complements your car's front foglamps and bumper with a stylish chrome detail.

**Chrome front bumper garnish:** Chrome elements on the front bumper emphasise the poised Hilux styling.

**Flat side steps (aluminium):** Aluminium side steps with a non-slip surface for easy access to the cab and deck.

**High Over Bar:** Stainless steel design for a powerful, rugged appeal.

**Utility box:** Side-mounted on the deck, the storage box can be accessed easily. It's lockable and protects contents against water, mud and sand.

**Double Cab inner bedliner and tail gate bedliner:** Precision-moulded for maximum load space: high-density polyethylene protects the deck bed, side and tailgate panels.

## INVINCIBLE PACK

**Aluminium scuff plates (front & rear):** Boost your interior's style even further with additional protection for the door-sill paintwork.

**Leather handbrake lever:** Assured, tough, refined. The perforated leather finish enhances the premium interior feel.

**Floormat:** Hard-wearing anthracite-coloured textile mats provide protection against mud and grime.

LOOKING YOUR  
BEST, AT ALL TIMES;  
THE HILUX ALWAYS  
MEANS BUSINESS

## TRANSPORT PACK

**Leisure Hardtop with roof rails:** Weather-resistant and incredibly practical, the hardtop creates a solid, seamless look. Uniquely designed for the Hilux, it has roof rails, lockable hinged and tinted windows and interior LED lights.

**Crossbars for Hardtop or Cabin:** Toyota crossbars are purpose designed to install on the Hilux Hardtop or Cabin and so add an extra dimension of carrying capacity to your vehicle. They are aerodynamic, made of aluminium, fully lockable and very easy to fit. The crossbars incorporate a quick attachment concept that enables you to combine them with a wide range of optional attachments.

**Flanged Towing Hitch:** With its 3200 kg capacity, a Toyota towing hitch gives you plenty of load-carrying flexibility.

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions.

# YOUR COMPLETE PEACE OF MIND WITH TOYOTA

## QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

## LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

## GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

## COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty\*, which covers any defect caused by a manufacturing fault<sup>§</sup>.

## ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

## TOYOTA EURO CARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years<sup>§</sup>.

## GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle\*.

For more information on peace of mind visit: [www.toyota-europe.com/service-and-accessories](http://www.toyota-europe.com/service-and-accessories)

\* Check with your retailer for specific warranty details.    § Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.    § Belgium 5 years/Portugal and Denmark 1 year.

# TOYOTA PROFESSIONAL YOUR BUSINESS PARTNER

Toyota know that business is never just business, which is why we have created a range of commercial vehicles you can trust. Choose from our new legendary Hilux, Proace City, Proace and Land Cruiser and put your business in safe hands. Our dedicated Toyota Professional retailers are on hand to keep you moving. With highly trained technicians and a comprehensive range of services built around you, Toyota Professional offers you the back-up you need for total peace of mind.

## PICK-UP AND DELIVERY

If your Toyota needs to be repaired, we will pick it up and return it, so that you can carry on with your business. Simple.

## EXPRESS SERVICE

Time is money, so we guarantee to complete scheduled services and maintenance in 60 minutes or less, with two technicians working on your vehicle at the same time.

## EXTENDED OPENING HOURS

We will take care of your pick-up when you don't need your pick-up to take care of your business, with opening hours that suit you.

## FAST LANE FOR SPECIFIC SERVICES

Some things just can't wait, which is why we have created a fast lane servicing facility for urgent repairs. It really couldn't be quicker.

## ROAD SERVICE ASSISTANCE

It's reassuring to know that you are never alone: our roadside assistance includes mobile workshops and vehicle recovery to get you up and running again as quickly as possible.

## COURTESY HILUX

Need a pick up when yours is with us? Our fleet of courtesy pick ups are here to keep you moving.

The Dakar Rally is the most extreme endurance rally on earth. It is the ultimate test to make better cars, which is why Toyota have competed for the past 40 years. It pushes quality, durability and reliability to its limits. The terrain is extreme, the speeds unbelievable. In these conditions, trust is key. One of the greatest Formula One drivers in the history of the sport, two-time World Formula One Champion Fernando Alonso joined the 2020 Dakar Rally team. Alonso competed alongside Nasser Al-Attiyah, who proved the incredible strength and pace of the legendary Hilux by winning the 2019 Dakar Rally.

DAKAR IS THE  
ULTIMATE TEST  
TO MAKE  
BETTER CARS

# WHY COMPETE IN THE TOUGHEST RACE?

# LOW CARBON MOBILITY WITH HVO100

With strong torque, impressive fuel efficiency and the ability to cover long distances between fill-ups, the combustion engine is a perfect fit for go-anywhere vehicles like the Toyota Hilux. This legendary pick-up, famed for its rugged reliability and supreme versatility, can now run on HVO100, delivering all the advantages of diesel but with the potential for lower CO<sub>2</sub> emissions<sup>§</sup>.

## QUESTION 1 WHAT IS HVO100?

HVO100 stands for hydrotreated vegetable oil. It is a liquid fuel made from renewable sources, including waste products and vegetable oils. Fossil-free, its chemical components and fuel properties are similar to diesel.

## QUESTION 2 WHAT ARE THE BENEFITS OF HVO100?

HVO100 has the potential to reduce lifecycle\* CO<sub>2</sub> emissions compared with diesel<sup>§</sup>. When the fuel is made from waste sources, such as used cooking oil, it is possible to drive a diesel vehicle<sup>§</sup>. Other emissions, including hydrocarbons, are also reduced.

## QUESTION 3 HOW DO I KNOW MY DIESEL CAR CAN BE REFUELLED WITH HVO100?

The fuel is labelled XTL at pumps and the same XTL label is found on compatible vehicles, both on the filler cap and in the manual. The Toyota Hilux has been optimised to run on HVO100.

## QUESTION 4 WHERE CAN I REFUEL HVO100?

As the popularity of HVO100 grows, so production is being ramped up and the infrastructure expanded. Around 1000 European filling stations now feature HVO100 fuel pumps. Sweden alone has more than 300 stations<sup>§</sup>.

## QUESTION 5 WILL RUNNING ON HVO100 AFFECT THE RELIABILITY OF MY ENGINE?

No. HVO100 offers slightly better combustion and cold-weather performance than traditional diesel and is a like-for-like substitute, with no risk to your vehicle.

## QUESTION 6 HOW IS THE CONSUMPTION AND PERFORMANCE AFFECTED RUNNING ON HVO100, AND HOW MUCH DOES IT COST TO REFUEL?

Fuel consumption is unaffected by the switch. In terms of cost, HVO100 typically carries a small premium over regular diesel.

For more information on HVO100 visit: [www.toyota-europe.com/new-cars/hvo100](http://www.toyota-europe.com/new-cars/hvo100)

\* Lifecycle, or well-to-wheel (WTW) refers to the evaluation of CO<sub>2</sub> emitted during both the production of the fuel (well to tank) and its usage (tank to wheel).
